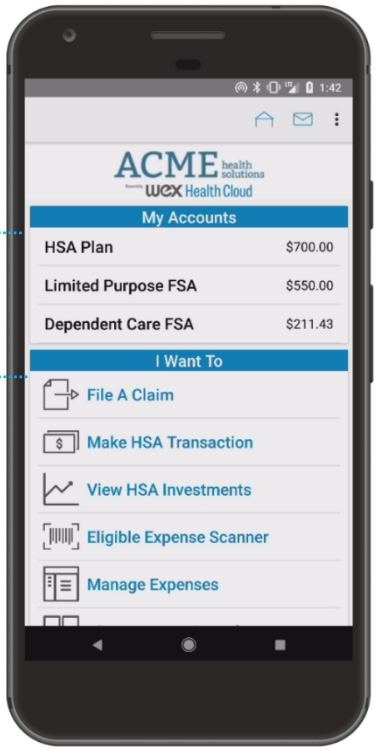
myCPI Medical App

Manage your health benefits on the go.

Want a simple, easy way to check your healthcare account balances and submit receipts from anywhere? The myCPI Medical app lets you securely access your health benefit accounts with a touch of a finger. Designed so you can quickly find what you need most, our Mobile App provides easy, on-the-go access to all your health accounts.



View balance information for all your account(s) right away.

Use the "I Want To" section to quickly take any number of actions from making payments to viewing HSA investments to scanning items for eligibility and more.

Stay up to speed

With myCPI Medical, you can get to the healthcare account information you need—fast. Wondering whether you have enough money to pay a bill or make a purchase? myCPI Medical puts the answers at your fingertips*:

- Enjoy real-time access including an intuitive app design and navigation
- Log in to your account(s) with ease using your fingerprint
- Quickly check available balances and account details for medical and dependent care FSA, ICHRA, HRA, VEBA, transportation and premium reimbursement plans
- View charts summarizing account information
- View in-app messages and text alerts that provide instant notifications about your account(s)
- Link to an external web page to obtain helpful information such as a list of eligible expenses
- Retrieve a lost username or password
- Use your device of choice – including Apple® and Android™-powered smartphones

Tap to take action

Our easy-to-use app helps you quickly find what you need to make a payment, capture a receipt or take any number of actions – whether you're on the couch or waiting in line. With myCPI Medical you can get it done fast and enjoy the rest of your day*.

- Submit claims for medical and dependent care FSA, ICHRA, HRA, VEBA, transportation, tuition and premium reimbursement plans
- Snap a photo of a receipt and submit with a new or existing claim, or store in your camera roll for claim filing
- Use the Eligible Expense Scanner to scan items to determine if they're qualified medical expenses before you get to the checkout lane
- Access your account funds to pay yourself or someone else such as doctor
- Add and store information on new payees
- Enter and view expense information and receipts
- Report a debit card as lost or stolen

Imagine what you could do with

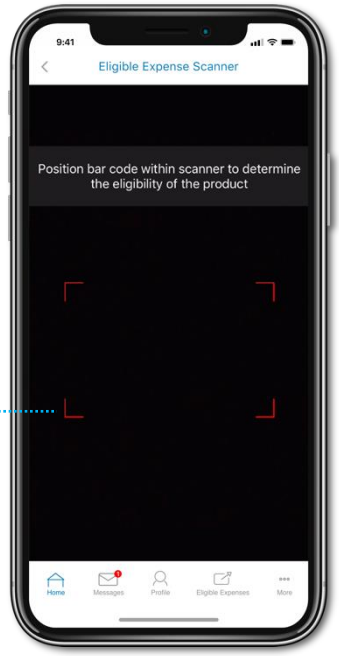
myCPI Medical

Check Balances

Wondering whether you can pay for an elective procedure or a mounting bill? Do a quick account check to see your current balance. No need to wait for an answer – it's right at your fingertips.

Scan Expenses

How can you easily determine which products can be paid for using your account funds? With myCPI Medical, you can simply scan a product bar code to help determine eligibility as a qualified medical expense. That's peace of mind with a touch of a button.



With a quick barcode scan, you'll know in an instant whether an item qualifies as an eligible expense
